this promptly. I promise that my team will use the lights reinstalled and have them properly
transportation to see what can be done to have the Commissioner of the Department of
Governor's Office, the Municipality, and the military unacceptable. I'm working closely with the
road so construction crews could widen the road that the lights were removed on Jewel Lake
faceted issue that will require cooperation among the residents who testified, as well as the Sand
Lake community council, for their hard work to serve you and I look forward to staying in contact.

If you find yourself in Juneau this session, please visit your district office in the capital. It's an honor
to serve you and I look forward to staying in touch. I'd be happy to meet with you on the
thoughts.

Jake Chapman has created an Alaska based, veteran operated nonprofit organization focused on preventing suicide among veterans. SPARTA connects suicide intervention trainers with veterans groups. Their goal is to train as many veterans as possible to efficiently recognize and react to a fellow veteran experiencing suicidal concerns. Something I'm very proud of and would like to highlight is the tremendous work one of our veterans groups is doing to address veterans in crisis.
