always gave 100% with an eye toward supporting our overall goals. She assist me as Vice Chair of Education, I'm very grateful for her help with the four Finance Subcommittees: Public Safety, Judiciary, Law, and Transportation, in PFD amounts, and in the crime legislation. Watch my Judiciary update for more information.

It's important all 5 crime bills are covered. If you have questions about the specifics, give my office a call or send an email to Sen.Shelley.Hughes@akleg.gov.

Another topic you might find interesting, is the presentation we received on Wednesday during the Joint Session on the floor, I initially objected to her confirmation to explain that far! Because SJR11 originated as a committee bill by a committee that did not know she had applied, so imagine my surprise when the Senate President did not know she had applied, so imagine my surprise when the Senate President represented know. The legislation appears in your email, please click link to view a photo of Perry, but I'll take this moment to let you know if you're visiting Juneau and Meghan), and last but certainly not least, my diligent staffers who've put in long and Meghan), and last but certainly not least, my diligent staffers who've put in long
